 Thanking God for Lewis' life - too short in our terms but "just right" with God. Lewis has made such an impact on so many lives - thank-you for changing me for the better. Love to your family.

 Dear Greg Ruth Jacob Brandon, Mr and Mrs Moss, Garvin and Florence , John & Robyn, Wendy & Rob, Tom & Gwenda, other aunties , uncles and all those precious cousins. Also to all Lewis's school friends. Words just don't seem adequate at a time like this to describe the pain of losing such a much-loved son, grandson , nephew, and cousin, friend.... but God knows and we trust that God's peace and strength will continue to uphold you through the coming days and weeks as you relive and hold close all those precious memories you have of him and are reminded of the amazing impact he has had and will continue on those who knew him(and also those who didn't know him well). What a comfort to know he is now completely healed and with Jesus.We are continuing to pray for you all. Much love.

Our love and prayers are with you Greg, Ruth, Jacob & Brandon and extended families. What a privilege it has been to know and love Lewis. May the Lord continue to provide the comfort you need at this time. xxxx

 To Greg and Ruth, Garvan and Florence, Tom and Gwenda, all the Moss and McKinney families,
 May the God of all comfort be your abiding source of strength and love during this incredibly sad time, despite the knowledge of the sure and certain hope of Lewis' resurrection through the death of his beloved Saviour Jesus.
 With our love and prayers.

 I am really praying for you, Moss family. Today I've learnt so much about God. I've learnt that He is a healing God. When I first heard about Lewis' passing, I really doubted this. But then I realised that Lewis' body was broken, and that God has given him a new, perfect body in Heaven. That's healing for sure.
 Also, that although we think that Lewis' life was cut short, in actual fact it was exactly the length that God intended it to be when he created Lewis. His life and his impact was pre-ordained. I will continue to pray for your family in your time of grieving.
 Dan

 Dear Greg, Ruth, Jacob and Brandon
 My deepest sympathy for your whole family and extended family. I can't express or even imagine what you are going through but I know One who knows. The amount of messages on this message board shows how much impact Lewis had in the world. Praise God!

There is Someone

everyone hurts once in a while, where there is joy there is sorrow
 through every tear there will come a smile that gives a light tomorrow
 but when the storms of life start to gather and covers the horizon so blue
 when the pain is all too strong to bear, just believe the sun will shine through

there is someone who's there in the rain
 someone to shoulder your pain
 someone who understands
 someone who holds your hand
 there is someone who's there in the clouds
 someone who's there when you doubt
 someone who will carry your heartache far away
 someone who is there to stay, near to you

with so many questions and answers so few to find
 the shadows grow longer and so does the pain inside
 but in your turning world that seems to break apart
 there is someone who's right where you are

someone waiting for you, someone to help you through
 someone for you, there is God

May God give you the peace you need at this time of sorrow.

love Jason

Dear Greg, Ruth, Jacob and Brandon, Uncle Ron and Auntie Heather, Mr and Mrs McKinney and your much loved families. Will continue to pray for you all. We did not know Lewis that well, but from what we have learnt about him in past days we believe that he possessed great christian characteristics we have had the privilege of seeing so well modelled in the lives of his great-grandparents, grandparents, parents, uncles and aunties. We sorrow with you in your great loss, but pray you find comfort in the truth that God is so gracious and his promises are true, Lewis is in heaven with his saviour and you will see him again.

To Ruth, Greg, Jacob & Brandon; Mary, Glenn, JT & Tyrone; and the rest of the family
Sometimes things just don't make any sense at all, we wonder why and how, but we have to remember our God is in control and knows why. Although we needed Lewis here with us, God needed him more. We're so incredibly sorry for the loss of beautiful Lewis and we pray that God provides with you with all the strength and support that you will need to carry on through this most unbelievably difficult time. No parent should ever have to go through this and it just doesn't seem fair. Lewis had such a profound and positive impact on so many people. He was just too good! I'm sure he'll be dancing, singing and joking with the angels in heaven. As the tears fall, let's remember what an incredible young man he was. We know he's in a better place and have to take comfort in that thought. Gone too soon, but WOW what an impact he had. Vale Lewis. God bless you and all of your wonderful family.

Our thoughts in prayer as always,

Nick, Marnie, Zali & Jack

I just wanted to share with u the song that I listened to that got me thru losing my little girl. I spent so much time just listening to and singing "Because He Lives I can Face Tomorrow". It is never an easy thing to watch ur child leave, but at least as Christians we know that it is only for a short time that we leave them with our creator till we see them again. It has been 6 years since God took my little girl to be with him, and not a day goes by where I don't think about her. Lewis will always be with u in your heart, and he is up in Heaven watching over u. All my love xoxo

Dearest Greg, Ruth, Jacob and Brandon, Garvin and Florence, Ron and Heather, and your families,

What beautiful words,
Safe in the arms of Jesus, Safe on His gentle breast,
There, by His love o'shadowed, Sweetly my soul shall rest,
Hark ! tis the voice of angels, Borne in a song to me,
Over the fields of glory, Over the jasper sea.

... Here let me wait with patience, Wait till the night is o'er,
Wait till I see the morning, Break on the golden shore.

What a sure and certain hope we have, for you will see Lewis again. Our hearts are breaking tonight with the homecall of your dear boy so loved by all who knew him. What a testimony Lewis has left behind. He gladly lived on earth to bear his Saviour's Name. From the garden of His Saintly Bloom, the choicest rose God has picked for Home.

Our Deepest Sympathy to all the family,
with much love

"Every man dies - Not every man really lives. But Lewis was an exception to this he made the most out of the short time he had on earth."

Here are some quotes for Lewis's family

"Death is not the greatest loss in life. The greatest loss is what dies inside us while we live."

"Love is stronger than death even though it can't stop death from happening, but no matter how hard death tries it can't separate people from love. It can't take away our memories either. In the end, life is stronger than death."

"Death is not the end.
Death can never be the end.
Death is the road.
Life is the traveller.
The Soul is the Guide."

"Death--- the last sleep? No the final awakening."

"If you realize that all things change, there is nothing you will try to hold on to. If you are not afraid of dying, there is nothing you cannot achieve. And Lewis achieved greatness"

God bless and RIP Lewis you will always be in the heart of the school, love you lots mate and can't wait to see you in heaven

With Hope - Steven Curtis Chapman

This is not at all how
We thought it was suppose to be
We had so many plans for you
We had so many dreams
And now you've gone away
And left us with the memories of your smile
And nothing we can say
And nothing we can do
Can take away the pain
The pain of losing you, but...

*We can cry with hope
We can say goodbye with hope
'Cause we know our goodbye is not the end, oh no
And we can grieve with hope
'Cause we believe with hope
(There's a place by God's grace)
There's a place where we'll see your face again
We'll see your face again*

And never have I known
Anything so hard to understand
And never have I questioned more
The wisdom of God's plan
But through the cloud of tears
I see the Father's smile and say well done
And I imagine you
Where you wanted most to be
Seeing all your dreams come true
'Cause now you're home
And now you're free, and...*

We have this hope as an anchor
Cause we believe that everything
God promised us is true, so...*

We wait with hope
And we ache with hope
We hold on with hope
We let go with hope

Dear Greg, Ruth, Jacob and Brandon, Our hearts ache for your loss and we want you to know that we have been praying and will continue to pray for all of you, that God will make His presence very real to you over the difficult days ahead. Those same arms that are holding Lewis are also holding each of you: Deu 33:27 The eternal God is thy refuge, and underneath are the everlasting arms.

Sun, 2 Aug 2009 6:58 pm - Bis and Merylyn Mukherjee -

Greg, Ruth, Brandon and Jacob. I don't know what to say! Over the last week I toiled and laboured and agonised and reasoned with God. How could He not answer when He silenced the prophets of Baal because He is a God who answers. Why won't He give Lewis the long life He satisfies with per Psalm 91? At the end, I am as you are, left on this sin stained planet with only a sound of silence. Didn't we need a vibrant, young Christian in this dark world? Yes, like you I don't know His overall plans and answer to any of these questions. I do know whether in life or death we are not separated from the love of Christ and you will not miss your loved one for He is indeed safe in Jesus. I do know that all our pains and sufferings were taken to the cross and He experienced them all. But we have a job to do on this earth while He carries and let the world see our trust in God. I share with you the sorrow that is natural and also stand with you this time praying for His peace that passes all understanding. Yes, indeed the way of the Lord are beyond our understanding so we can only trust that His grace will be perfect in our weaknesses. Like you I have many questions than answers but I know this that He who holds the key to death and grave will ensure that Lewis will see God in his flesh again. I leave Hab 3:17 for your family. I won't know what you are going through but I understand. I join with my family to extend our love, prayers and compassion to you. We are in this together. My prayer for all of you is that may you be strong in the Lord and take heart that this is not the end and we sorrow not as people without hope. I will continue my travails before Him so you are surrounded by favour as with a shield. Once again our hearts go out to you and our hands are extended to you at this time. Love in Jesus, Bis and Marilyn.

Oh, what I would do to have
the kind of faith it takes
To climb out of this boat I'm in
Onto the crashing waves
To step out of my comfort zone
Into the realm of the unknown
Where Jesus is,
And he's holding out his hand

But the waves are calling out my name
and they laugh at me
Reminding me of all the times
I've tried before and failed
The waves they keep on telling me
time and time again
"Boy, you'll never win,
you'll never win."

But the Voice of truth tells me a different story
the Voice of truth says "do not be afraid!"
and the Voice of truth says "this is for My glory"
Out of all the voices calling out to me
I will choose to listen and believe the Voice of truth

Oh, what I would do
to have the kind of strength it takes
To stand before a giant
with just a sling and a stone
Surrounded by the sound
of a thousand warriors
shaking in their armor
Wishing they'd have had the strength to stand

But the giant's calling out
my name and he laughs at me
Reminding me of all the times
I've tried before and failed
The giant keeps on telling me
time and time again
"Boy you'll never win,
you'll never win."

But the voice of truth tells me a different story
the Voice of truth says "do not be afraid!"
and the Voice of truth says "this is for My glory"
Out of all the voices calling out to me
I will choose to listen and believe the Voice of truth

But the stone was just the right size
to put the giant on the ground
and the waves they don't seem so high
from on top of them looking down
I will soar with the wings of eagles

when I stop and listen to the sound of Jesus
singing over me

But the Voice of truth tells me a different story
The Voice of truth says "do not be afraid!"
And the Voice of truth says "this is for my glory"
Out of all the voices calling out to me (calling out to me)
I will choose to listen and believe (I will choose to listen and believe)
I will choose to listen and believe the Voice of truth

I will listen and believe
I will listen and believe the Voice of truth
I will listen and believe
'Cause Jesus you are the Voice of truth
And I will listen to you.. oh you are the Voice of truth

All My Tears - Jars of Clay

When I go, don't cry for me
In my Father's arms I'll be
The wounds this world left on my soul
Will all be healed and I'll be whole.
Sun and moon will be replaced
With the light of Jesus' face
And I will not be ashamed
For my Savior knows my name.

It don't matter where you bury me,

I'll be home and I'll be free.
It don't matter where I lay,
All my tears be washed away.

Gold and silver blind the eye
Temporary riches lie
Come and eat from heaven's store,
Come and drink, and thirst no more

It don't matter where you bury me
I'll be home and I'll be free
It don't matter where I lay
All my tears be washed away

So, weep not for me my friends,
When my time below does end
For my life belongs to Him
Who will raise the dead again.

It don't matter where you bury me,
I'll be home and I'll be free.
It don't matter where I lay,
All my tears be washed away.

Mercy Me - Homesick

You're in a better place, I've heard a thousand times
And at least a thousand times I've rejoiced for you
But the reason why I'm broken the reason why I cry
Is how long must I wait to be with you

I close my eyes and I see your face
If home's where my heart is then I'm out of place
Lord won't you give me strength to make it through somehow
I've never been more homesick than now

Help me Lord because I don't understand Your ways
The reason why I wonder if I'll ever know
But even if You showed me the hurt would be the same
Because I'm still here so far away from home

In Christ there are no goodbyes
In Christ there is no end
So I'll hold onto Jesus with all that I have
To see you again

Sun, 2 Aug 2009 5:24 pm - Bec Dunster -

Lewis, man, you know how to make me cry. Have a feeling I should get used to that though, coz I think I might be crying for a little while :S I know you've gone to be with our precious Father, and you'll be having a great time up there, but I'm just going to miss you not being around. I know it'll feel like that for a while, but I just want you to know how much you've touched my life!!! We never tell ppl until it's too late, but I'm sure God will pass on the message. I remember you helping with my Math when I first started skool, helping me make juggling balls in Drama, telling us your list of pickup lines in Music and the look on your face when you said 'robs' lines "keep what down, miss?" puts a teary smile on my face just thinking about it ;) its times like this where we often run away from God asking "why?", but this will only make me stronger in him. God just wanted you home. And who could blame him - you're an awesome guy. Thank you for blessing all of our lives, keep smiling, and i cant wait to see you again :) and sorry for all this crying, i just cant help myself...

mr and mrs moss, jacob and brandon, i really dont hav the words to say right now...it's all a bit of a mess in my brain, but sometimes words aren't necessary - just picture me giving you a big hug and know that God is right beside you every step of the way. i know it's going to be hard, but He's there.

♥♥♥dont party too hard without us Lewy, we'll be missing you, but we'll see you soon. i hope i leave even half the legacy you have - you've touched peoples lives and we won't forget it :)

The utter joy that Lewis must be experiencing right now - of finally being home, receiving his Crown so he can lay it back before our Father's Throne and return thanks must be absolutely stunning.

I pray for those that are finishing the race, in particular your mum and dad, and family, that our Father's indescribable peace and solid strength rise up within you each day as you learn to live again in preparation for Heaven to continue your relationships again. It is not long away, but until that day, God's love and blessings for you in great measure in your journey, Shalom

We will uphold you all in our prayers today and in the difficult weeks ahead as you learn to endure his absence in your earthly lives. It is wonderful to know that this is only a temporary separation, painful as it is, and we trust that you will take comfort in this as you await a reunion with Lewis when we all meet again in our heavenly home. Lewis' witness here on this earth is far from over - he has glorified his Lord in life and in death. We weep with you and send our heartfelt sympathy and love to you all. Allan, Kathy, Mark & Ben

Sun, 2 Aug 2009 4:47 pm - The Miracle of Lewis -

God's ways are not our ways. For as high as the heavens are above the earth, so are my ways higher than your ways and my thoughts higher than your thoughts.

You only have to look at the number of hits on this web site, the number of people who were praying for Lewis, and praying for you now, across the world to see that God has been moving in mysterious ways.

The impact in Toowoomba alone is miraculous. Newspaper & internet articles, Churches of all denominations, youth groups, schools, Christians and non have all been united in prayer. When did that last happen? How many people have been influenced so positively by Lewis and his family? Thousands!

That is the miracle of Lewis.

Greg & Ruth - may God give you peace in the days, weeks & months ahead. With much Christian love, Elizabeth Boulton

Sun, 2 Aug 2009 4:45 pm - Belinda Curtis -

Dear Greg, Ruth, Jacob and Brandon and all extended family,

I don't know what to say, but please know that I am thinking of you and praying for you in this tragic time. I can not even begin to understand what you are going through. I hope that you pull strength from those around you who love you, and from our Father God, who will always be your comfort in your most troubled times.

The song that keeps going on in my head, and has been mentioned many times before on this forum, but it is "Casting Crowns - Praise You in This Storm", especially this section of the song:

"for You are who You are
no matter where I am
and every tear I've cried
You hold in your hand
You never left my side
and though my heart is torn
I will praise You in this storm".

This is definitely one of the worst possible "storms" to go through, but just remember that no matter where you are or how you are feeling or coping, He is the same and will always be there for you.

All my love,
Belinda

And I am glad;
If other hands should hold the key,

Sun, 2 Aug 2009 4:15 pm - Meulen family - Brisbane -

Our love and tears pour out for your family - we are so sorry for your painful loss. Your precious son is with His precious Son... Our Father truly understands your pain and I know He'll support you through this unbearable experience as only He can.

As someone who never had the privilege of meeting Lewis, I thank you for sharing him with so many. In his brief life Lewis has obviouly influenced so many and the ripple effects from this will go on and on. Some people live many decades longer yet fail to make the difference that your son has managed to do. I pray that you will forever be blessed as you hear constant stories of how Lewis's life mattered to so many.

As parents ourselves we can only imagine the grief you must feel at this time and what we imagine is just absolutely heartbreaking. Our thoughts and prayers are with you at this most difficult time. Lean heavily for support on those you have so often supported yourselves. "The LORD is close to the brokenhearted and saves those who are crushed in spirit." Psalm 34:18.

Sending our love to you all. We hurt so badly for you in the loss of your precious Lewis, even though what we are feeling can only be a fraction of your pain. May God be your comfort and strength.
Lewis is an inspiration to us all and you must be so proud. What he achieved in his 16 years is so much more than many do in a long lifetime.
With our heartfelt sympathy,
Phil & Amanda, Phoebe, Samuel & Jemima.

El Shaddai, by Amy Grant

El Shaddai, El Shaddai,
El-elyon na adonia,
Age to age you're still the same,
By the power of the name.
El shaddai, el shaddai,
Erkamka na adonai,
We will praise and lift you high,
El shaddai.

Through your love and through the ram,
You saved the son of Abraham;
Through the power of your hand,
Turned the sea into dry land.
To the outcast on her knees,
You were the God who really sees,
And by your might,
You set your children free.

El shaddai, el shaddai,
El-elyon na adonia,
Age to age you're still the same,
By the power of the name.
El shaddai, el shaddai,
Erkamka na adonai,
We will praise and lift you high,
El shaddai.

Through the years you've made it clear,
That the time of Christ was near,
Though the people couldn't see
What messiah ought to be.
Though your word contained the plan,
They just could not understand
Your most awesome work was done
Through the frailty of your son.

El shaddai, el shaddai,
El-elyon na adonai,
Age to age you're still the same,
By the power of the name.
El shaddai, el shaddai,
Erkamka na adonai,
I will praise you till I die,
El shaddai.

El shaddai, el shaddai,
El-elyon na adonai,
Age to age you're still the same,
By the power of the name.
El shaddai, el shaddai,
Erkamka na adonai,

I will praise you till I die.
El shaddai.

Lewis ... I don't even know you mate. But I have seen how your life has touched the life of my friends and family (most of them don't even know you)! You have somehow touched my life as well. I'm praying God will raise you up because I believe the best days are still before you!! I'm praying for a miracle and believing for the impossible along with my family and all these other people.

I know the story behind this song is controversial but the lyrics will forever remain true. It is my prayer for you and your family.

Healer - Planetshakers

You hold my every moment
You calm my raging seas
You walk with me through fire
And heal all my disease

I trust in You
I trust in You

I believe You're my Healer
I believe You are all I need
I believe You're my Portion
I believe You're more than enough for me
Jesus You're all I need

My Healer, You're my Healer

Nothing is impossible for You
Nothing is impossible for You
Nothing is impossible for You
You hold my world in Your hands

praying for you continuously! and sorry for leaving so many comments today.. i've just had so many things on my mind! anyway, something from our drama play just popped into my head and i can't believe how much it applies right now!

only jesus moves from pain to power
he can raise the living from the dead

he can make the wounded become a flower
clean from all the bloody red

God is all powerful and no matter what the doctors say, even when there is no hope medically, he can make miracles happen! he's a God of the impossible and so we don't need to give up hope, we just need to have faith in him and his love and power, and believe that he will heal lewis because we know that he will!

As a friend of Naomi's our Kyb group has been praying for you Lewis and your family, how precious to see God's family unite together and the impact he is having on our lives is incredible, may I share that I had a dream in the early hours this morning of him sitting up in bed, well and smiling full of joy, may this be an encouragement as it was to me. Precious Father God surround this family with your mighty wings, nothing is too hard for you. May all of our tears touch the very heart of God to perform a miracle that only he can do. In Jesus name, amen

Dear Moss Family,
Lewis is constantly in our thoughts and prayers. Gods Will for Lewis IS in His Word, our mighty Sword of the Spirit. God's Word is a higher truth than what you are seeing in that hospital room today. Gods will is for Lewis to have a complete healing, to be made completely whole. Put the Armor of God on today as you continue in your fight of faith for Lewis, he cannot do this for himself. Nothing is impossible with God, His will and desire is that Lewis has life and to have it abundantly.

Having never met Lewis or the Moss family, we can only form an opinion of you all by what people say about you on this forum or Facebook- and wow, what amazing people you all must be. Martin is a paramedic here in Toowoomba, and works with the guys who were first on scene at COC that afternoon. Having been in the medical field for quite some time, he knows and has experienced miraculous things in the past. Our thoughts, and more importantly our prayers are with

you all now as you pass through this most difficult time. God IS in control, and no matter what the outcome, know that Lewis will be touched by the very hand of our creator.

Please, someone update the progress report. What's going on? I am still constantly praying and have faith in the lord's choices.

God bless the Moss family and help them through this difficult time of hardship in their lives. I know that you can help both friends and family of Lewis pull through this Lord. Right now Lord just wash your ever calming peace and serenity of all of those involved and give them faith; No matter what is said Lord we know that your ever healing hand can fix him to his full capacity. So Jeus in your glorious name I pray this, Amen.

Sun, 2 Aug 2009 7:22 am - Sue Thomas -

Greg & Ruth - I just can't imagine how you must be feeling. I am sure you are exhausted but as I look at these thoughts of friends of Lewis' you should be so proud of this young man that you brought up who has witnessed to these young lives just how wonderful it is to serve the Lord and he is still serving Him as his life to us is so unsure - God knows what is ahead. Whether our family share another wonderful meal at Glenn and Mary's or at the table the Lord has promised to prepare for us we shall see him again. When I see the times that people have posted these messages I know that you were supported all night through by not only the family around you but friends and acquaintance and even people who you have never met you before the throne of Grace. We have a wonderful God who listens to our prayers and He has his loving arms wrapped around Lewis. Love and prayers. God Bless!

Lord we speak against the death spoken over Lewis's body with this '24 hours' prediction. We speak life into Lewis's body, and we ask that you would restore this awesome guy to his full health Lord, for the glory of your name. We ask that whatever is going on in Lewis's body at this moment, that you would step in and override any medical predictions or expectations, and give us the miracle that we all wholeheartedly believe for. Lord you say that with faith the size of a mustard seed, we can move mountains. Lord I just ask that you would consider the prayers, the hope, the trust and the faith being offered up to you this past week, and even at this moment Lord. And we ask that in faith that he would be healed. Lord God please give strength to the Moss family as they pray for and support Lewis, and give them a reassurance that you are in absolute control. And that, throughout every turn of events, you are working for a greater good, even though it's something I can't understand right now. I love you God, thankyou for your love and protection of your son Lewis. Amen.

Dear Heavenly Father,
Please watch over Greg, Ruth, Jacob, Lewis and Brandon throughout the night hours. Give them your comfort, your peace, and your strength Lord. You know how desperately we have prayed for a miracle in Lewis' body, Lord you know how desperately we have pleaded that you return Lewis in full to his family and to us. We pray that you would give Lewis many years in full health to impact this world for you. However you know what is going on at this very moment in the hospital room that we are unaware of and we pray that you do what is best for each and every family member right now. Lord we pray that you do what is best for Lewis, we pray that it is in favour of our prayers...but your will be done. Dear God we leave this prayer in your almighty presence, Holy is your name. In Jesus name we pray Amen.

The prayers of our youth church in Perth are with you guys right now. We've suffered unimaginable heartache in the last year, and we're standing on faith with you. There's a song by Casting Crowns called Praise you in the Storm that has been really powerful for us.

And I'll praise you in this storm
and I will lift my hands
for You are who You are
no matter where I am
and every tear I've cried
You hold in your hand
You never left my side
and though my heart is torn
I will praise You in this storm

Our thoughts and prayers with you.

To dear Greg, Ruth, & boys,

Sleep would not come to me tonight until I had put down my thoughts & prayers for you right now. Ruth, you have been a great help to me in the past just by being a listening ear and a wonderful friend and I wish I could do more to help you right at this moment. Just know that we would love to be there by your side to offer our support and a HUG so praying you are getting plenty of both. Greg & Ruth, you have three wonderful boys you can be very proud of. Jacob, be strong mate & know we are praying hard for strength for you to cope with all the questions that must be going through your mind right now. Brandon, keep on being the wonderful son you have been so far & a support to Dad & Mum - good work buddy! Lewis - well you would be astounded at all the thoughts & feelings that have flowed through from all over this country and other parts of the world for you during this last week. Many people probably wish they had thought to say these things to you before now but we are all still praying you will get to hear all the wonderful words people have said about you.

Much love to you all and our hearts will be praying even if our eyes finally sleep tonight. Anne & David

Lewis, you have been apart of my families lives for so many years now. I am praying for you and your family constantly, I am praying for your strength, your health and most of all faith; faith, for all of those who are praying for you right now Lewis. We can't afford to back down during these difficult times and when we have nothing else to say all we can do is hope, believe and let the holy spirit interveine. I feel as if I need to do something but can't so lewis, I'll just keep praying and I'll send my guardian angel to be with you, because I know you need them more than I do right now. You're in our hearts and prayers and I have faith that you can pull through.

Greg, Ruth, Jacob, Lewis and Brandon,
GOD is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea... Be still, and know that I am GOD: I will be exalted among the heathen, I will be exalted in the earth. The LORD of hosts is with us; the God of Jacob is our refuge. Psalm 46. Praying for Lewis tonight and for the rest of the family's comfort and peace. May God be your refuge tonight.
In Christ's Love
Chris

Sat, 1 Aug 2009 11:17 pm - april ferricks -

hey lewis! well firstly i just wanna say that i'm not gonna leave a huuuuuge comment like loxienne did so you don't have to worry about being bored! haha just kidding, lox isn't boring. she's.. unique. anyway! we had another prayer meeting for you tonight and a bunch of people came along and just prayed again for your healing. we have faith that God will heal you, and we won't stop praying until we see miracles happen and you come back to us!

also, i found a bible verse just before that i thought i'd share with you, it really gave me hope that God is in control and he is looking after us giving us strength and protection. 2 corinthians 4:7-9 "we now have this light shining in our hearts... this makes it clear that our great power is from God, not from ourselves. we are pressed on every side by troubles, but we are not crushed. we are perplexed, but not driven to despair. we are hunted down, but never abandoned by God. we get knocked down, but we are not destroyed." our strength does come from God, and he is with you now lewis helping you to fight this - he will give you strength, and he will heal you!

well okay i'm finding it kind of hard to concentrate now, because rachael is standing behind me throwing a cushion at me, because she says i am very 'throw-things-at-able'. haha. okay she's stopped now. but my concentration is still ruined. so i'll be going now!

love you heaps, praying that you have a safe night and astound the doctors in the morning! i know you'll pull through, God is with you! lots of love, april.

ps: sorry, i think this comment may actually be as long as loxienne's.. oops :)

Dear Greg, Ruth, Jacob, Lewis & Brandon.

Just want you to know that I'm thinking and praying for you all during this difficult time. You havn't left my thoughts or prayers since I first heard of Lewis's accident. We begin every Youth Group taking it in turns praying for you all. I pray that God will lay His healing hands upon Lewis and bring Him back to full health as we all know only God can, I also pray that you will all feel the comforting hands of God around you and His peace which passes all understanding in your hearts, but most of all I pray for God's will in all of your lives. I recently read a quote which said "we never see Christians for the last time" and it's been a real comfort to me because I know that if it is God's will that I don't get to see Lewis again here on earth, I will most definitely see him in Heaven.

Thinking of and praying for you all... Naomi xoxo

We held another prayer meeting tonight, and we are believing that you, Lewis my man (just mean that in friendly terms, by the way, lol, just to clear up any confusion, :D) are going to walk back through those school gates, standing tall and proud, 'strutting your stuff', and wearing that ever-present smile... I swear you must stick a smile to your face that stays there all day, because it's just permanently there, it's amazing! I reckon you're smiling right now, and I can just see you waking up tomorrow with all those medical staff and the doctors, and your family around, and giving them your massive cheeky grin, and saying, 'hey, what's up?'... God's working on something HUGE right now, I really feel that, I don't know what exactly, but I just feel that it's MASSIVE.... I know girl's tend to go on their feelings a lot... but I choose tonight to believe that feeling, and moreso, I'm believing in God, the creator of the UNIVERSE. Rach was talking tonight about how sometimes she forgets who she's talking to when she's talking to God, and I realised that I do that too, and I do it so much! I just... I don't know, I suppose I talk to God like I talk to a friend, so sometimes I think I forget just how AWESOME and INCREDIBLE He is, and how He like, holds our world in His hand, and how nothing's too big for Him. It just reminded me of that verse, the one that says, 'Be still, and know that I AM GOD.' I found where it is in the Bible, it's in Psalm 46:10... we actually have it in on a plaque thing in our house, and I walked past it the other day, (well, I walk past it all the time) but I walked past it the other day and read it... and for some reason it just stuck in my head, and I thought, ok, I get the be still part, and the knowing that God is God... but what did He mean when He said that? Like, what exactly does He mean when He says, 'I am God.?' I couldn't really figure it out then, and I don't think I have properly yet, but I realised that... well, God is God... and, from what I could figure, that means that He's like, 'THE man'... He's the Alpha and the Omega, the One that spoke our very universe, our planet, and US, into being. God's HUGE..... He's just; He's like... well... He's indescribable... but He is SOO SO SOOO much bigger than anything and everything that happens in our lives, and I know that He is bigger than what any medical report or professional might say, (no offence to them by the way, you guys to a great job, a fantastic job, and I really admire and respect you all, I couldn't do what you guys all do, and I know that. However, your reports are based on the medical evidence, and while that is great stuff, awesome, amazing stuff, God's still bigger than that medical evidence.) Medically, Lewis has no chance... apparently, he shouldn't have even made it off the oval... but, he did! AND, he made it through that night, and Friday, and Saturday, and Sunday, and the whole week, and he can make it through tonight, especially with God there with him, so I say to the medical report that it's wrong. And I declare, right now, that God is working in Lewis' life. God says a lot in the New Testament that people's faith healed them, and that by faith and in faith, they were healed and set free and alive. So, I am declaring in faith, RIGHT NOW.... that God WILL heal Lewis, he WILL WALK right back through our school gates, he WILL be the same Lewis he always was, and he WILL have an AWESOME, MIND BOGLING, ASTOUNDING testimony to tell everyone, and he WILL be a great influence for God to other people. Two people at the prayer meeting tonight said that they knew people who had had visions of you and what amazing things you were going to do.... one of them had never even SEEN you before Lewis, never met you, didn't even know you existed, (I know, it's very hard to believe, but, it's true, she actually didn't know you! :P) but, you know what? She had this vision, before she knew what had happened to you, or seen your picture in the paper, or anything... and I think it was the Thursday night, and she had this vision of you, and it was you, no doubt about it... and you were standing on the stage, (I think the one at school) and you were telling people about God, and all this stuff... now, she doesn't usually get visions, and she got one, randomly, that had nothing to do with anything, before this happened to you or anything, before this vision of you... and you know what it was? It was of that Julie chick, off Master Chef, (if you watch Master Chef, I don't, but hey, that doesn't matter!) the lady that won... and anyway, this lady, she RANDOMLY as, a couple days or so before Julie won Master Chef, she had this vision, and in that vision, she saw Julie win. And she was like, 'What the heck?' but IT HAPPENED. A couple days after this vision, when the final of Master Chef was done, Julie won, just like she envisioned! Now, a little while after that, she has this vision of you, who she didn't even know, and she saw you walk in and talkin, 'strutting your stuff', on that stage, about God, and all these things. Next day, your picture is on the front page of the paper, and she went, 'That's him!' The picture in the paper was exactly how she saw you man! HOW COOL IS THAT?!?!?! So, there you go, you're gonna walk right back through these gates Lewis, and you're gonna get on our nerves all over again with you witty comments and your song that's gonna be famous one day, and you're gonna show us all up with your sweet dancing, singing, drum and piano playing, and everything else talent, and you're gonna be on fire for God, and we're gonna be SOOOOOO THANKFUL and happy and excited we'll all probably knock you to the ground with hugs when you come back, so you better be prepared for an ambush Lewis!!! God's looking after you right now, shining His light through you, and you're gonna be such an AWESOME, AMAZING testament for God, anybody who hears your story and has seen your journey, they're gonna KNOW that their is something bigger, WAAAAAY... like, FAR AND AWAY, bigger than us, and then any situation we come against. I'm gonna sign off now, but just quickly, I went to the Tara Camel Races today Lewis... you would have LOVED it!!! We're believing for something GINORMOUS (don't even think that's a word, but oh well!) to happen to you tonight Lewis, but we are believing IN an even MORE GINORMOUS God!!! You guys are always in our thoughts and prayers, and we're not going to stop praying! Xoxo.

This passage has been on our minds this afternoon.

Mark 5 38-42

When they came to the home of the synagogue ruler, Jesus saw a commotion,. He went in and said to them, " why all this commotion and crying? The child is not dead but asleep.

He took the child's mother and father and the disciples who were with him, and went in where the child was. He took her by the hand and said to her , "Little girl, I say to you get up!" Immediately the girl stood up and walked around. At this they were completely astonished.

Sat, 1 Aug 2009 7:15 pm - Third Day- Rise Up -

Well, I was there when you were torn apart

Now a piece of you is gone

Somehow you wish that you could only find

A little strength to carry on

You've tried so hard to make it on your own
That your heart has come undone
So I am here to prove that I alone
Have the power to overcome

Don't let your heart be troubled
This world will never keep you down
It will never keep you down

So rise up, my friend
No, this will never be the end
So rise up, my friend
And live again

I didn't want you to feel this way
It's not what life was meant to be
And so for you, my friend, I'll take your shame
You can give it all to me

'Cause you've wrestled demons every day
And they've dragged you to your knees
But in your weakness you will learn to find
That I will always be your strength

In life or in death
Through joy or regret
And all of the secret things you have done
No matter what comes, my friend
Nothing can keep you from the love of God

Our God is a perfect God who has perfect plans. He is a God that moves mountains, that parts oceans. His son conquered the grave. He can do anything. How blessed we are, that this God of miracles has lewis in his powerful, healing hands. Trust him. Don't give up. Have faith, because he has PROMISED that if we have faith, he will heal. If we have hope, he will deliver. He says that if we pray to him, he will restore. There is going to be a whole lot of praying going on. There is a prayer meeting tonight- and God will move. God has it under control- trust that he knows best. I have not stopped praying for you all, and will not stop.

Dear Ruth and Greg, Jacob and Brandon, and extended families..... My heart breaks for you at this time... I can only imagine the pain of what you are all going thru today... I dont understand why God would be calling Lewis home - your beautiful Lewis, but I do know that Gods power and wisdom is far beyond our wildest comprehension... But I do pray that

Lewis will not suffer, and for God's inner peace to be with you all at this time... and that he will reveal his plan to you soon...

Lord I pray for the staff caring for Lewis and his wonderful family today, Lord that you hand select those chosen to be near and care for Lewis and his family at this time, to offer them support and love, and to care for Lewis with infinite wisdom, and compassion. Lord I also pray for Lewis's school mates and friends, that you also be with them at this difficult time, Lord that you can help them to understand your plan for Lewis' life, and that you are in control. Lord I dont understand why you would consider calling one so young, who has lived his life here on earth as a testament to you and who would go onto glorify your name, but please Lord reconsider your calling and offer Lewis the miracle of a healed life. Lord we ask this in Jesus precious name, Amen.

To Lewis's family,

Today when I read the updates my heart felt heavy and I focused on the circumstances and what the Doctors say. So I prayed to God to give me something but only if it was from him for you all. I opened my daily reading for 1st of August and the heading was "Receive Your Miracle" Romans 10:10 "For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation". Also read Matthew Ch:9 v20-31 The woman that had bleeding for twelve years touched Jesus's cloak and said to herself "If I only touch his cloak, I will be healed". Jesus turned and saw her "Take heart, daughter" he said "your faith has healed you. And the woman was healed at that moment. Jesus didn't suddenly say, "You know, I think I'll work a miracle for that little lady today". She made it happen, She took her faith and drew on the power of God. Thats why Jesus said "Daughter, you faith has made you whole". This is all in my reading today and I know it is from God for you all today, as usual his perfect timing and I hope you are getting to read all these thoughts and msg for you all today. Lewis has all ready had a miracle, look at how many lives are being touched by his circumstances, so don't focus on the current circumstances, focus on Jesus and our "Mighty Miracle Working God".

All the praise and glory to God
Sing hallelujah, sing hallelujah,
For the King has carried the cross
He is risen from the grave...

Though the sorrow may last for the night, joy comes with the morning...

My delight - ALL my delight - is in the Lord.

Throw your best at me Satan - it is no match for the awesome, incredible life-saving, world-changing power of MY GOD!

Sat, 1 Aug 2009 3:33 pm - praying for you all -

To the Moss family; You are all constantly in my thoughts and prayers. I can't begin to fathom the emotions you must be going through but hope that this poem somehow comforts you.

Just A Weaver
by Benjamine Malachi Franklin

My life is but a weaving,
between my God and me,
I do not choose the colors,
He worketh steadily.
Ofttimes he weaveth sorrow,
and I in foolish pride
Forget He sees the upper,
and I the underside.
Not till the loom is silent,
and the shuttles cease to fly,
Will God unroll the canvas,
and explain the reasons why
The dark threads are as needful
in the skillful weaver's hand
As threads of gold and silver
in the pattern He has planned.

Hey man I was going through some of my songs and I really felt this song was saying something relevant and I'm pretty sure you like it

August Burns Red - Composure

Shake it off.
Pick yourself up, they say.
Your life fell apart in your hands, and you've got the scars to prove it.
It's not the first time, and they're getting deeper.
Pull it together.
Button up your shirt.
Roll down those sleeves.
Don't let them see how you've coped.
More and more your demeanor looks like quicksand.
It seems like your giving up on everything you worked for.
It's pulling you under.
It's gripping around your throat.
Life can be overwhelming,
But don't turn your back on the strongest crutch you've ever had.
They have always been there to brace your fall.

Wave goodbye to the past.
You've got your whole life to lead.
It's time to gain some ground.

i was just listening to hillsongs cds and i came across 'the desert song'.i just thought these lyrics were perfect. god is on our side and triumph is on its way. God is lewis's victory and with lewis right now is hospital.

Verse 1:

This is my prayer in the desert
And all that's within me feels dry
This is my prayer in the hunger in me
My God is a God who provides

Verse 2:

And this is my prayer in the fire
In weakness or trial or pain
There is a faith proved
Of more worth than gold
So refine me Lord through the flames

Chorus:

And I will bring praise
I will bring praise
No weapon forged against me shall remain

I will rejoice

I will declare

God is my victory and He is here

Verse 3:

And this is my prayer in the battle
And triumph is still on it's way
I am a conqueror and co-heir with Christ
So firm on His promise I'll stand

Bridge:

All of my life

In every season

You are still God

I have a reason to sing

I have a reason to worship

Verse 4:

This is my prayer in the harvest
When favor and providence flow
I know I'm filled to be emptied again
The seed I've recieved I will sow

I first heard of the 'Lewis Moss' phenomenon when I met your wonderful cousins JT and Tyrone and your Aunty Mary and Uncle Glenn. In the past week I think Jarred and Tyrone inparticular, have told me so many wonderful stories full of love and respect for you that I could almost write your biography. They adore you, and so you must be all that! I pray that as your family are going through this tough time they will only be reminded of the amazing things you have done to impact everyone that knows you. I think you are a champion!! God Bless You and Your Family,

Lewis mate stay strong. Every one of us are praying for you nonstop. Three times this week I've encountered this verse, "Is any one of you in trouble? He should pray. Is any one of you happy? He should sing songs of praise. Is any one of you sick? He should call the elders of the church to pray over him. And the prayer offered in faith will make the sick person well; the Lord will raise him up." -James 5:13-15 That's really my prayer for you especially today Lewis, and I'll keep praying it as long as it takes. We all love you mate. Pull through.

Lewis and family are in my prayers!
Don't give up guys! God will bring you through this!

Sat, 1 Aug 2009 11:00 am - Bec Dunster -

When it seems like we're facing our darkest moments and all hope is lost - God is there. You may not be able to see His hand at work in this, but He is moving, and there is ALWAYS hope. Never stop believing, stay strong, and never doubt the power that God has. Don't look at the circumstances you're in, just look to God. No problem is too big for Him to handle. Our God is an awesome God, and He knows what you're going through, so stay strong in Him!

Lewis, you stay strong, God has much bigger plans for your life - He created you for a purpose, and I believe that there's much more to come yet. He's going to use you in ways you could have never imagined.

Dear Lord Jesus, we call upon Your Mighty Name to bring a miracle to Lewis' life today - the sort of miracle that no one will be able to explain - because only You can do that. May you be given all the glory, and may You use Lewis' life to make a difference for You in all that he does. I pray that you would bring a calming peace and understanding on the whole Moss family, and that they would know that You are completely in control. Reveal Yourself to them and give them a strong hope in You. Lord, we give You all the glory as we know that You are fully capable of bringing complete healing. In Jesus' precious name I pray, Amen

Hey Moss Family. Hey lewis bro.
I know God is going to pull through on this one, its always the darkest before the dawn, I know that Lewis is such a gift to the world and that there is no way that God will not heal such a great guy, were all master pieces in God's eyes but Lewis is a masterpiece of the masterpieces. Lewis your gunna make it man, because it says so in God's word, and life without Lewis just isn't an option. It says in the bible ask and you will receive, seek and you will find, knock and the door will be opened to you, and thats what hundreds have been doing for the past week. The doctors said he was most likely not going to make it off the rugby field, he made it, the doctors said he was most likely not going to make Thursday night, he made it, its going to happen again today. I know hes going to make it cause God is a loving healing God, he knows that Lewis has a great awesome future ahead of him, one bigger and better any of us other year 11 guys could hope for because 1. Hes the most amazing guy we know and 2. He has the most supportive amazing family in the world. When i get married and have children ill be happy if my family is half as awesome as yours. Theres going to be a miracle

today and everyone will see the amazing work that God has done in Lewis's life. Lewis has the most rare gift amongst people, the ability to make an entire room of people light up with smiles and feel better about themselves just by having a conversation with him. I cant wait for Lewis to wake up, get better and move along with his awesome life and for the rest of us to be apart of that great guys journey. I want him to be at my wedding, i want to be at his, I want to see his children, I want him to see mine, I want to grow old with the guy and finally i want him to be at my funeral, not the other way around, its selfish but I know he could handle it better than i could. Jesus is going to grant all these things cause hes a loving caring God.

Love you all so much, Alex

Hey Lewis,

Just a quick Message to say hey, and that I am praying for you and thinking of you and your family nearly every second minute of the day. Your website is a constant feature on my computer at work, checking for updates thru the day and seeing all the other prayers that are flowing thru for you! You are an awesome guy, even though we got to hang out once or twice at school - i really only got to know you as we worked together at the newsagent in grand central. I remember i ALWAYS got excited when they put us on a shift together cause it was fun to just hang out up the front and talk about this that and the other while severing up the lotto and scratchies - you always made me laugh with your jokes and stories..... I miss that very much.

So I did some math's behind the number of people hitting your website - quite the popular man arent ya? :P

nearly 25,000 hits after 6 days...

that's 4166 people a day

173 people an hour

and nearly 3 people a minute.....

Thats 3 people somewhere in the world of every minute of every day that is checking up on you big fella! Know that you are loved, and that there are people on every continent , every corner of the world praying for you. I know personally of a number of people in the UK, France, Croatia, United States, Singapore, South Africa and many other corners of the world that are praying and hoping to God Almighty for you every single day.

To the Moss Family,
I cant even begin to imagine what you are all going thru, but I hope the Peace of God and hte Holy Spirit is with you...
You are all constantly in my thoughts and prayers.
Lewis - I love you mate..... Please fight this and come back to us.

Love Cameron.
xo

We have seen over and over again in the past week that when the valley is deepest the strong love and grace of Christ is greatest. That will not change.

The ripple effect of Lewis' accident has been used by God to impact more lives than we will ever know this side of heaven. Praise His wisdom in turning what we see as hard into His purpose. You and Lewis remain an inspiration. God remains faithful and just. You remain in my prayers and in the prayers of the school community.
Cling to and rest on His unfailing love and peace.

I've had this song on my mind...

"When I am down and, oh my soul, so weary;
When troubles come and my heart burdened be;
Then, I am still and wait here in the silence,
Until you come and sit awhile with me.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up: To more than I can be."

At this time we are praying for you all, that you will feel the close presence of God as he sits with you and surrounds you with His love and His everlasting arms.

Dear Greg, Ruth, Jacob, Brandon, Grandparents and extended family,

Our hearts are breaking for you, we wish we could console you, we wish there was some way in which we could ease your pain and turmoil, alas all we can physically do for you still is pray, only God can ease your pain. We will be praying constantly and we will continue to pray fervently until a time comes when there is no more hope, even then we will be praying for you. Lewis you are so loved, not just by your family but widely by friends and acquaintances world wide. The reason for this impact of yours is your beautiful character - your larrikin ways, your gentle and confident, outgoing, friendly spirit. Anyone who has met you has been drawn to your charm instantly. Your Mother and Father I am confident are so proud of you, and all that you have accomplished in this 16 years. We are also in awe of your drumming, you have always been quick to entertain in this way and have always done a mighty fine job of it. We as parents watching you grow and mature over the last few years too have been very proud of what you are and have become. We love you very much young Lewis. You are strongly supported in our prayers especially over the next 24 hours. We wish we could give you a hug. All our love and all our prayers Phil, Kim, Bec and Michael xoxoxoxo

Much love, Allan, Kathy, Mark and Ben

greg and family, my thoughts are with you all, it's hard thing that parents should never have to go thru.

Sat, 1 Aug 2009 7:45 am - Steve and Leonie Chapman -

Dear Greg, Ruth, Jacob, Lewis and Brandon, we continue to pray, we have not stopped in any waking moment to be continually in prayer with our Great and All-Wise God. No matter what anyone may say, it is God's word alone that will be your stay, comfort and strength at All times. There is a meditation on Ruth 2v2, todays reading by Spurgeon which I added earlier that may be of comfort. May our God bless you all today.

Rom 8:35-39

35 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?

36 As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter.

37 Nay, in all these things we are more than conquerors through him that loved us.

38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come,

39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

Sat, 1 Aug 2009 7:41 am - Stewart and Sonja Beveridge -

Dear Friends

You are in our thoughts and prayers continually today.

Psalm 32:10 "The Lord's UNFAILING love surrounds the one who trusts in Him."

This is our prayer for you today - that you will know His presence and strength.

Sat, 1 Aug 2009 7:38 am - David, Miriam & Isaiah Howell -

Greg, Ruth, Jacob, Brandon and the Moss family.

This news has moved our hearts with sadness and compassion. We will be strongly lifting you all to our God, the Father of all mercies, during today and the coming days. We bring Lewis and his needs before our God.

Sincere love to you all in Christ, the One who is so familiar with human trauma and suffering, our Great High Priest.

David, Miriam & Isaiah.

Greg, Ruth, Jacob and Brandon

Our prayers are with you all that you will know that the Lord is there with you right at this very time. We pray that you will feel the comfort and peace of His arms around you. "I will take refuge in the shadow of your wings until the disaster has passed. I cry out to God Most High, to God, who fulfills His purpose for me." Psalm 57:1-2

Sat, 1 Aug 2009 7:29 am - Steve -

"Let me now go to the field, and glean ears of corn."

Ruth 2:2

Downcast and troubled Christian, come and glean to-day in the broad field of promise. Here are abundance of precious promises, which exactly meet thy wants. Take this one: "He will not break the bruised reed, nor quench the smoking flax." Doth not that suit thy case? A reed, helpless, insignificant, and weak, a bruised reed, out of which no music can come; weaker than weakness itself; a reed, and that reed bruised, yet, He will not break thee; but on the contrary, will

restore and strengthen thee. Thou art like the smoking flax: no light, no warmth, can come from thee; but He will not quench thee; He will blow with His sweet breath of mercy till He fans thee to a flame. Wouldst thou glean another ear? "Come unto Me all ye that labour and are heavy laden, and I will give you rest." What soft words! Thy heart is tender, and the Master knows it, and therefore He speaketh so gently to thee. Wilt thou not obey Him, and come to Him even now? Take another ear of corn: "Fear not, thou worm Jacob, I will help thee, saith the Lord and thy Redeemer, the Holy One of Israel." How canst thou fear with such a wonderful assurance as this? Thou mayest gather ten thousand such golden ears as these! "I have blotted out thy sins like a cloud, and like a thick cloud thy transgressions." Or this, "Though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool." Or this, "The Spirit and the Bride say, Come, and let him that is athirst come, and whosoever will let him take the water of life freely." Our Master's field is very rich; behold the handfuls. See, there they lie before thee, poor timid believer! Gather them up, make them thine own, for Jesus bids thee take them. Be not afraid, only believe! Grasp these sweet promises, thresh them out by meditation and feed on them with joy.

Dearest Ruth, Greg, Jacob, Brandon and Elaine,
Since learning the other day that the early hours of the morning are proving fairly tough for Lewis, God has been giving me lots of opportunities during this time to pray and I have been thankful for that. Love and constant prayers,

WOO.... it's gone down again... really Lewis, meds aren't THAT great, I know, I know, it seems like they're pretty good, but really, you can leave 'em alone you know, hehehe, :P. Seriously though, I'm so thankful to God again that He's in control of everything that goes on in life, and that nothing takes him by surprise or is too big for Him to handle. I know He's looking after Lewis, and you, Mr & Mrs Moss, Jacob, and Brandon, and I know this situation is totally in His Hands, which is an AWESOME place for a situation to be, I reckon anyway! I remembered some funny things today about Lewis, and some of the things he did and said, and thought of some things he probably would have done and said if he were at school today, and I laughed at the thought, but of course, it'll be much funnier when you're back to do that yourself Lewis, but in the meantime I'm doing contenting myself with just imagining, hehehe. Tonight at youth (Citiyouth) we had a relationships talk, but for the games we did that game where you get to people, and one says to the other, 'Honey, if you love me, won't you give me a smile???' and the other person is meant to answer straight-faced, 'Honey, I love you, but I just can't smile.' Well, I volunteered to go up first, and Matt (Oastler) got Sam Rubino up there, and I was the one that had to keep a straight face, and he was the one that had to say, 'Honey, if you love me, give me a smile'. You know I laugh at just about anything Lewis, so you can probably guess how it ended up, but I thought I did pretty considering... but anyway, Sam's gets up, grabs the mike, and goes, 'Honey, if you love me...' and then he steps closer, and looks down at me with this pleading sorta look on his face, puppy-dog eyes and all that, and I was thinking, 'oh, you did not!'.... and started laughing... so, that ruined that, and he won, but I had fun, :D. Anyway, that's about my story for the evening, I hope you have a comfortable and stable night, and I hope that you, Moss family, are all comfortable and have a good sleep tonight. We continue to pray for all of you, and you are with us in our thoughts, prayers, and hearts all the time. We also continue to pray for wisdom and insight for all the doctors and medical staff at the hospital as well. God loves you, we all (this all being everyone who's commented, people at school, our families, and the wider community) love and miss you all (this all being Mr & Mrs Moss, Jacob, Lewis and Brandon- I hope that's the right spelling by the way, sorry if it isn't!) too! :D

Fri, 31 Jul 2009 7:47 pm - Daneo -

Great to here things are little bit more stable God is working here. I just wanted to share something from James 5 13-17 which is so relevant in these times, Is any one of you in trouble? He should pray. Is anyone happy? Let him sing songs of praise. Is anyone of you sick? He should call the elders of the church to pray over him and anoint him with oil in the name of the Lord and the prayer offered in faith will make the sick person well. The Lord will raise him up. If he has

sinned, he will be forgiven. Therefore confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous man is powerful and effective. If we continue to pray and believe in God for our miracle i have no doubt that Lewis will come through this as it says so in the scriptures. And for a bit of humour Lewis mate Beefcake and I were talking yesterday and we both agree that God is next to your bed rapping. Miss you mate Daneo.

Fri, 31 Jul 2009 6:19 pm - Jason -

Hey again, lewy we all miss you soooo much and can't wait for you to rise up and live again. The amount of miracles that have already happened have been amazing and so encouraging. All of the rugby boys up here in Tbar are continuing to pray nonstop for the miracle of life that we put faith in God for. I just wanted to share with you guys the passage about not losing your peace in God that us boys shared at assembly on Wednesday when we sung Third Day Tunnel. It say One of the Greatest promises in the bible is "You will keep him in perfect peace, whose mind is stayed on You, Because he trusts in You" Who are you trusting to solve the problem God or yourself? You need to live by the principle 'Do your best, then let God do the rest'. Too many of us have the idea that's its wrong to enjoy ourselves while we have problems. We grow up believing that if we can't do anything else, the least we can do is worry, act stressed out or miserable. The bible adresses this: Do not for a moment be frightened for such fearlessness will be a clear sign from God. This scripture teaches us that when adversity come (and it will) we must stay in peace. Satan doesn't know what to do with us when he can't get us upset; we've taken a powerful weapon out of his hands. Keeping your peace doesn't exempt you from lifes difficulties it just allows God to have the last word. by trusting him completely you are longer at the mercy of the circumstances, other people or your own emotions and limitaions. The question is not will trouble come but how will you handle it? When things go wrong do what God leads you to do, then rest in Him and watch Him work on your behalf. I want to congratulate you moss's because i've heard so many stories of you guys being strong and having amazing character and i think God admires your character and so 2 I. God Bless Stay Strong i hope this gives you some peace and reassurance. LOVE YOU LEWY and family Jason

Ephesians 6:1 - Children, obey your parents in the Lord: for this is right. Honour your father and mother, (which is the first commandment with promise;) That it may be well with you, and you may live long on the earth. Living Bible says, "This is the first of God's Ten Commandments that ends with a promise. And this is the promise: that if you honor your father and mother, yours will be a long life, full of blessing!!!!". Lewis, when we were praying for you on the night of the accident God put this on my heart. This is His promise for you as you have honoured your parents with your loyal heart and joyful personality. This has been witnessed by your many school friends, one of which is our son Lindsey - 7ar. With much prayer and great expectancy that your life will flourish!! the Fenners xxx

To the dear Moss Family, when God takes something from your grasp, He's not punishing you, but merely opening your hands to receive something better. Concentrate on this sentence... 'The will of God will never take you where the Grace of God will not protect you.'

Casting Crown song expresses it best: I was sure by now. That you would have reached down and wiped our tears away. Stepped in and saved the day but once again, I say "Amen", and it's still raining. As the thunder rolls I barely hear You whisper through the rain "I'm with you". And as Your mercy falls I raise my hands and praise the God who gives, and takes away. I'll praise You in this storm. And I will lift my hands. For You are who You are. No matter where I am. Every tear I've cried. You hold in Your hand. You never left my side. And though my heart is torn. I will praise You in this storm. I remember when. I stumbled in the wind. You heard my cry. You raised me up again. My strength is almost gone. How can I carry on. If I can't find you. I lift my eyes unto the hills. Where does my help come from? My help comes from the Lord. The Maker of Heaven and Earth..... You don't know us but we are family, through Jesus Christ. I look at all the encouragement written here and I Praise the Lord for how big the family of God is! Be encouraged that we, the family of God are interceding on your behalf.

It was so great to spend a little bit of time with you all last Wednesday - what an inspirational family (and I know so many agree with me). God is so gracious, isn't he!

Lewis, I remember the number of times you showed off your broken tooth to me before it was fixed. Now you'll have more impressive stuff to show off. Gotta see that shaved head!

Brandon, you remain in the thoughts and prayers of your class mates and we are looking forward to you getting back here sometime soon. Man... the homework I have lined up for you is enormous! :-)

Praying for a breakthrough this weekend.

I don't know Lewis personally, but despite this, I have not been able to stop thinking about him and his family. My thoughts and heartfelt prayers go out to Lewis, his family, friends and whole school community. God is with you all, I hope you find comfort in this. While none of us can possibly understand why such a thing happens, God knows, he sees the whole picture.

Jeremiah 29:11

"For I know the plans I have for you," declares the Lord, "plans to PROSPER you and not to harm you, plans to give you A HOPE AND A FUTURE"

He will heal, and then Lewis will be able to use his word to lead others to the truth.

God bless you all

Hey guys, i just wanted to let you know that we had another prayer night for lewy last night and heaps of people showed up, we're not going to stop until he's better. But Brandon you are a little champion! i've been hearing stories about you what your doing down there and i just want to give you a hug (a very manly hug). but when we sang the tunnel song on assembly the other day i told them about the song and why we were singing it and then i told them a story that mum had told me about you and let me tell you there were some tears of joy in the room, i may have nearly cried.....just maybe. Brandon i just wanted to tell you that you have injected hope and positiveness into so many lives in the way that your carrying yourself down there, we all love you to bits. just keep doing what you doing! and to the Mr,Mrs moss and jacob i just want to tell you that we love ya so much and we're never going to stop praying, gods with lewy every moment of every day and he won't leave. We have been praying about 1000 times a day and everytime you guys are prayed about strongly. god is in that hospital and he's going to work his wonders we just have to have faith and stick with him. Your all being so strong and it is really admirable, we love you all.

Lewis, you are in our prayers day and night.

We are constantly amazed by the amount of people that have been gathering to pray for you, people that you have affected and made such an impact on, this is to your credit and to your parents!:)

There is never a dull moment when you're around, Lewis. Your smile and laugh are infectious and we can't wait to see and hear this again!

We had to have a laugh when we were talking about the time at Emily and Kaleb's reception when you and Lucas were gathering everyone's presents, and writing your names on them, pretending that they were all from you! Ah it was so funny!

We are praying everyday that god will heal you and that you will be back to your mischief making self in no time ;) Moss family (and Elaine), we are praying for you constantly and we hope that your knowledge of this will be an encouragement to you.

All our love and prayers,
Katelyn and Mark (Borris)

The other night Isaac was tucked up in bed when we heard the word "amen" from his bedroom. Darren went in and asked what he was praying. Isaac response was "I was praying for Uncle Ken and Lewis".

"Because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning, great is your faithfulness" Lamentations 3:22-23

We miss you so much and you are constantly on our minds and in our prayers. Oh yeah! i nearly forgot...I have some more lines from another awesome Newssoys song: "When hope is lost, I'll call You Saviour, when pain surrounds I'll call You Healer, when silence falls, You'll be the song within my heart..." God bless you all! All my love and prayers, Millie

Thinking of all of you during this trial in your family and of your injured loved in prayer. I have been daily following these reports. It is never easy to sit by when a loved one is in this condition. It is good we have a Faithful God that knows our every need.

Fri, 31 Jul 2009 12:29 am - Nat McGovern -

Moss's I shared something at the latest prayer meeting at the church that i thought i would pass on. Its a C.S Lewis quote.

"In ordinary usage the word impossible generally implies a suppressed clause beginning with the word unless. Thus it is impossible for me to see the street from where i sit writing at the moment; that is, it is impossible to see the street unless I go up to the top floor where i shall be high enough to overlook the intervening building. If i Had a broken leg I should say its impossible to up to the top floor'... meaning, however, that it is impossible unless some friends turn up who will carry me." Mark 2:1-5 tells of how a paralysed mans friends tore apart the roof of the building to lower their friend to see Jesus, when Jesus saw their faith the man was healed, It was impossible for the man to see Jesus, unless his friends had faith and carried him. We all have faith that God will heal Lewis and we are all carrying you, tearing the roof apart, taking you to Jesus. God bless.

Hey again lewis!

i keep writing and writing, and you never write back! are you... are you avoiding me?! *gasp* *tear* hahaha. you know i'm just kidding. :P i love writing to you! in fact, it's one of the things i look forward to most these days, to tell you what's been going on, and to tell you to get your butt back to toowoomba! hehe. so yeah, really. get back here! :) i'm glad to hear that you're a bit more stable, thanking god so, so much for that. you know, so many things remind me of you everyday, it's amazing! but then again, you always were a bit of a stunner, weren't you bud? :) anyhow, i don't really have much to say about today... just another boring day at school. although, maths b was pretty fun. me and this other korean guy were trying to teach one of the guys at centenary - james.. you might know him? - to write in korean! it was funny. when you get back, i'll try teach you too! i'm missing your crazy, fun personality, and your funniness! :)

to mr and mrs moss, jacob and bradon,

i hope you're having a good night's rest, and that the morning will bring good news. you're all in our hearts, thoughts and prayers.

all my love,

xx

Hey Moss family,
Found a cool verse that has helped me out a fair bit in the past few days
"Be anxious for nothing, but in everything by prayer and supplication,
with thanksgiving, let your requests be made known to God;
and the peace of God, which surpasses all understanding will guard
your hearts and minds through Jesus Christ" Phillipians 4:6-7
Hope that helps you guys. Cant wait for Lewis to wake up cause hes gonna be
such a lucky charm with the ladies after he becomes a walking breathing
miracle :D won't stop praying till my mate is back, no matter how long it takes.

Thank you Lord for answering our prayers and making Lewis' condition more stable! We're continuing to pray for all of the Moss family, there's another prayer meeting on at the moment. That song, 'There's a Light at the End of This Tunnel' is such an awesome song, and so true. Keep praying and keep believing, all our love.

Praise God for the change today in Lewis. Hey Lewis I remember when you had an accident with your front tooth. I remember seeing you on the oval one day soon after and you said; "Hey Mrs Lord, see my new tooth" and gave me that awesome smile of yours. I am missing that smile. I believe God for a miracle in your body and that you will be back with us. Ruth, Greg, Jacob and Brandon, we are also keeping you in prayer daily.
Psalm 27:5
For in the time of trouble
He shall hide me in His pavilion;
In the secret place of His tabernacle
He shall hide me;
He shall set me high upon a rock.

Greg, Ruth, Jacob & Brandon

You are continually in our thoughts and prayers. We are praying for Lewis and we know that God is comforting him and nursing him back to good health and we stand on the promises of our heavenly father that HE WILL NEVER LEAVE OR FORSAKE US.

In Christ alone my hope is found
He is my light, my strength, my song
This Cornerstone, this solid ground
Firm through the fiercest drought and storm
What heights of love, what depths of peace
When fears are stilled, when strivings cease
My Comforter, my All in All
Here in the love of Christ I stand

and lewis will raise up and he will be back with us, stay strong.

Christian Love to you all.

Dear Greg and Ruth Jacob and Brandon,

Thinking and praying for you at the hard time. It was good to see you all the other day and have been praying every night for Lewis. Lewis' story has been told all over the world and people are praying for someone they dont know but

know friends of the family or the extended families. God is working and we may not know the answer now but He will let us know in his timing. We just have to keep praying and depending on Him.

Dear Uncle Greg, Aunty Ruth, Jacob and Brandon,
I've just been listening to the song 'Strong Tower' (Newsboys) and now I can't get it out of my head...

Strong and mighty, strong to save us
Like a fortress, never failing
Strong in battle, strong in kindness
When we stray, Lord, You're strong to find us.

When the winds come hard against us
You are steadfast, You are true
When the ground beneath us trembles,
Your foundation never moves.

Strong tower, high and glorious
Strong tower, mighty in love
Our refuge, our defender
Strong tower, Lord, above.

Strong to lead us through the shadows
Strong to carry all our sorrows
When the enemy surrounds us, closing in as darkness falls
Though his armies rage against us, they can never scale these walls.

Strong tower, high and glorious...

You are my shelter, my shield
You are the home I could never deserve
Here I will serve, ever under Your gaze
Here I will serve, ever singing your praise.

Strong tower high and glorious...

Praise God that He is our strong tower! I'm praying more than ever that God will be your 'shelter' and 'shield'. And... He is still definitely able to do a miracle!
Lewis... I'm so proud of you cuz! Can't stop praying for you...
Love you all xo ... Emily

Dear Greg, Ruth, Jacob, Lewis and Brandon,
I'm just back from Kenya. We have been praying for you and for Lewis' recovery since we first heard. The Kenyan Christians are also praying. Narelle, Danny and Beth join me in seeking God's blessings upon you, and we will continue to pray for a breakthrough in Lewis' recovery, and that you may experience the peace of God at this difficult time. You are constantly in our thoughts. Our words seem so inadequate but God's word is much more helpful. Isa 26:3 "You will keep him in perfect peace, whose mind is stayed on You, because he trusts in You." Also Phil 4:7 "...and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."
Love from the Melvilles xx

Rest assured that you can fully lean on the Lord and we will continue to hold you up in prayers.

What a fellowship, what a joy divine,
leaning on the everlasting arms;
what a blessedness, what a peace is mine,
leaning on the everlasting arms.

Leaning, leaning,
safe and secure from all alarms;
leaning, leaning,
leaning on the everlasting arms.

"This sickness is not unto death, but it is for the glory of God, that the Son of God may be glorified by it." (John 11:4)

Thu, 30 Jul 2009 1:51 pm - Steve and Leonie Chapman -

Hello Greg, Ruth, Jacob, Lewis and Brandon, please be assured of our constant prayer for you all, we are lovingly pre-occupied with you all in this and understand how we become totally absorbed in the present intense need. Through experience we can say that our God alone is able to give us "PEACE, and at such a time."Ezra 4v17. which can only be as Isaiah 26v3 "Thou wilt keep him in PERFECT PEACE, whose MIND is stayed on THEE, BECAUSE he TRUSTETH in THEE. and to be able to say, "Thy will be done". Yet we can ask, and He has invited us to do so, we have one, ..."that is able to do exceeding abundantly above all that we can ask or think..."

Thou art coming to a King;
Large petitions with thee bring;
For His Grace and Power are such,
None can ever ask Too much.

We pray that you will all know with great tenderness and Love, yet with reassuring strength, the Everlasting Arms underneath you, and about you, and be able to look our Lord in the face and say, "As for God His way is Perfect."

Be still, my soul: the Lord is on thy side.
Bear patiently the cross of grief or pain.
Leave to thy God to order and provide:
In every change, He faithful will remain.
Be still, my soul: thy best, thy heavenly friend
through thorny ways leads to a joyful end.

Be still, my soul: thy God doth undertake
To guide the future, as He has the past.
Thy hope, thy confidence let nothing shake;
All now mysterious shall be bright at last.
Be still, my soul: the waves and winds still know
His voice Who ruled them while He dwelt below.

Be still, my soul: the hour is hastening on
When we shall be forever with the Lord.
When disappointment, grief and fear are gone,
Sorrow forgot, Love's purest joys restored.
Be still, my soul, when change and tears are past
All safe and blessed we shall meet at last.
May the Lord, "...grant thee thy petition..." 1Sam1;17 .

Thu, 30 Jul 2009 1:38 pm - Patricia Hugman - mother of Joshua in grade 8 (Lewis, you prob know him as Josh from rugby) -

Praying for you guys constantly - every spare waking moment of the day, God brings you to my mind. He has given me so many scriptures, this is today's:

Eph 3:16-20

I pray that from his glorious, unlimited resources he will give you mighty inner strength through his Holy Spirit. And I pray that Christ will be more & more at home in your hearts as you trust in him. May your roots go down deep into the soil of God's marvelous love. And may you have the power to understand how wide, how long, how high and how deep his love really is. ... Now glory be to God! By his mighty power at work within us, he is able to accomplish more than we would ever dare to ask or hope.

AMEN

We will pray - as long as it takes for your miracle to come to fruition.

Be confident that God has worked a miracle, that he is continuing to work a miracle in Lewis' life and that he will complete what he has started.

& Ps 105:1 Give thanks to the LORD & proclaim his greatness. Let the whole world know what he has done. Tell everyone about his miracles. Sing to him; yes, sing his praises.

Thu, 30 Jul 2009 1:17 pm - Because we care so much.....and know that Our God is working -

Oh to know and be walking daily in the peace of Jesus. As a family I can't imagine the pain and agony it must be causing you all to see your precious boy laying so still. Words can't change the situation but can lighten the load - Prayers can change the situation though. We just want you to know that our prayers are continuously being prayed out for you all. I am very mindful that the days can be long and tiring and that life seems to stop when you are in a hospital but please know that this is only a season. Take courage that others are fighting for you when you feel you need a rest. God's army is large and that although the battle rages the army advances because the commander is Jesus. Jesus hung on the cross and defeated the enemy, once and for all. You guys are amazing, please know that God's family is massive and not one second goes by that you are alone. God has someone praying 24/7. Lewis - God never stops working for you, he is knitting your body back together in the most delicate way. He designed you and created you and so only he knows every minute part of your delicate body that needs to be mended. Hang in there and have patients - you will witness how great our God is.....

Thu, 30 Jul 2009 1:12 pm - Kathleen Gordon (Aiken) -

To Lewis and the Moss Family

It is going to be ok, Lewis is strong, healthy and we know that GOD is waiting for his body to heal just enough before waking him up. We all have our arms wrapped firmly around you all in prayer, everytime we stop for just a minute we think of Lewis and pray. Not a day goes by when we don't talk about him and how precious young lives are and in turn appreciate each other more through it. Stay strong Moss family, only Jess knows Lewis from the grade but we all feel the overwhelming need to stay close and pray for you and will you through this. Thankyou for giving us the opportunity to share the pain we are feeling for Lewis, he is a special, beautiful child of GOD. Please wake up Lewis

Thu, 30 Jul 2009 12:39 pm - Lyndrea Lynch -

Hey Lewis, I keep checking this site, eagerly anticipating a change in your status... and it keeps saying the same thing - "Unchanged". You can't begin to imagine the overwhelming excitement there will be when we check, and it says, "Lewis has come out of his coma & is talking freely with his family", or words to that effect! I know it'll happen... just waiting in faith for that moment.

Thu, 30 Jul 2009 12:25 pm - Mick -

Hey Lewis! Thought I would share a funny story today. An anonymous yr9 student went to take off his track pants in front of the class and accidentally dacked himself to his ankles. It was hilarious! Thought you would appreciate that story. Still praying for you and your fam. You have forever changed my world.

Thu, 30 Jul 2009 12:22 pm - Kathy Dunkley -

Hi everyone. The words of the song God Will Make a Way (Mission Praise 1047) have been in my head all week. I think they are particularly relevant to Lewis and the agony of watching and waiting that you have all been enduring this past week.

God will make a way where there seems to be no way
He works in ways we cannot see

He will make a way for me
He will be my guide - hold me closely to His side
With love and strength for each new day
He will make a way

By a roadway in the wilderness He'll lead me
And rivers in the desert will I see
Heaven and earth will fade, but His Word will still remain
He will do something new today.....

We are praying that you will soon come to the end of that roadway in the wilderness and that our awesome God will do something new in Lewis' recovery. Just reading and hearing about the impact Lewis has had, and is having, in so many lives shows that the rivers are certainly flowing in the desert at the moment!!
In the meantime, stay held closely to His side as He guides you through this trial. Our prayers continue for you all. Much love, Allan, Kathy & boys

Dear Lewis,

He who dwells in the secret place of the most high Shall abide under the shadow of the Almighty, I will say of the Lord He is my refuge and my fortress My God in Him I will trust. He will cover you with His feathers and under His wings you shall take refuge. Because he has set his Love upon Me therefore I will deliver him, I will set him on high because he has known My name. He shall call upon Me and I will answer him, I will be with him in trouble, I will deliver him and honor him, with long life I will satisfy him and show him my salvation. Psalm 91-1,2,4,11,14,15,16.

Our dear Greg and Ruth, Jacob and Brandon, our thoughts and prayers have been with continually since we heard of Lewis' accident. Our prayer is that you may know what is the exceeding greatness of His power towards us who believe, according to the working of His mighty power which He wrought in Christ when He raised Him from the dead. that same power can heal Lewis.

Thu, 30 Jul 2009 8:58 am - Psalm 23 -

Psalm 23

The LORD is my shepherd; I shall not want.

He makes me to lie down in green pastures;

He leads me beside the still waters. He restores my soul;

He leads me in the paths of righteousness For His name's sake.

Yea, though I walk through the valley of the shadow of death,

I will fear no evil; For You are with me;

Your rod and Your staff, they comfort me.

You prepare a table before me in the presence of my enemies;

You anoint my head with oil; My cup runs over.

Surely goodness and mercy shall follow me

All the days of my life; And I will dwell in the house of the LORD forever.

May this well known Psalm comforts you and your family! Praying for you all!

We are thinking of you so much our prayers are with you, I know you dont know us it is a horrible situation you are in and going through please keep talking to lewis even when you think he cant here you. I remeber when I was about 17 yrs of age my uncle who was 2 years younger than me was in a horrific car accident and he was in a deep coma, and all I could do was visit him everyday and talk to him and read to him he came out of his coma after 2 weeks smiling and thanking me as he remembered me talking to him I know it sounds corny but that is the only way and means you have to reach him, I dont know if you read the bible but the NIV is easy to read and you could start reading that to him it would be fantastic for you and for him I am not meaning to force anything on you, or his favorite magazine or book just so he can here your voice in a flowing manner thats how I did it with my Uncle Gary. In Gods Love

TO ALL WHO READ THIS, PLEASE CONTINUE TO PRAY!!

Well it seems that we can just blink and time goes by so quickly! And as time continues to go by and Lewis' condition doesn't improve it may seem natural to us human beings to begin to loose hope of a full recovery, especially now its the 7th day since Lewis' accident. But Satan can put it into our minds that things won't change and we ultimately begin to pray for a partial recovery instead of a full recovery. PLEASE!! Don't let Satan make these thoughts rule in your mind!! Remember that Satan is a defeated being, and so listening to his voice only brings defeat. Continue to pray to GOD, in the Name of the Lord Jesus Christ, believing through faith that God will raise Lewis' to a full recovery... Because we're praying to the one who is the "Resurrection and the Life", we can be sure that Lewis will be with us again very, very soon! Praise God, and to Him be all Glory! Amen.

Dear Greg, Ruth and Family. I am praying for you all, especially Lewis. Also, Ron and Heather and Garvin and Florence and Families. May you all know the comfort and help of a loving God. Remember Rom. 8 verses 37-39. NOTHING can separate us from the love of God, not even "THINGS PRESENT." Lewis is in God's loving Hands. With love and prayers for you all, Rose McKee x

Wed, 29 Jul 2009 10:38 pm - R.A -

Luke 18:6-8

So what makes you think God won't step in and work justice for his chosen people who continue to cry out for help? Won't he stick up for them?

I assure you, he will. He will not drag his feet.

But how much of that kind of persistent faith will the Son of Man find on the earth when he returns?"

I will not stop praying.

Last Thursday at rugby (about 10 minutes before the accident) I completely stuffed a run up (as I do), and you gave me a bit of a pat on the back. It was small, but it was really encouraging. Anyway, praying for a complete recovery.

Hey there Ruth and Greg,

Each day a new song fills my mind as I reflect and pray for Lewis and your beautiful family while you are going through this particularly challenging time. Yesterday it was a kid's worship song, My God is a Great Big God...and HE holds us in his hands, today it has been, 'You are My Strength'. This is my prayer for you each tonight... that His unfailing love, stronger than mountains, deeper than oceans, is reaching to you. We are praying constantly for you all, you are never far from our thoughts. Love Karen xo

Wed, 29 Jul 2009 7:14 pm - Roy and Ethel Hamilton -

Our thoughts and prayers are with you at this very difficult time for our young brother Lewis.

Wed, 29 Jul 2009 7:12 pm - Liz and Pete -

I challenged my class to pray and plead God for a miracle for Lewis and they are doing so. Many of the children asked for a copy of the web page so that they could pray intelligently with their families at home as they were touched and saddened by what had happened. The faith of young children is astounding, they hear of a need, ask for an answer and wait on God to deliver. We are upholding you all in prayer and love. He is a God of miracles and does hear our cries and we are waiting for the miracle. x x x

Hey Lewis!

I heard from Mr Wilcox that someone actually reads out everyone of these letters to you!! Oh my goodness! I will try and make mine as interesting as possible! Well hey! I pray that God's hand of protection will be over you and that you will be healed as soon as possible! I don't hope that I know that! and we just have to keep believing and trusting! Apart from all the sadness the school is going through we are trying to have as much fun as possible cause we know that's what you would probably want us to be doing! But we are paying like crazy man! don't get me wrong! Don't ever ever stop believing even for a milli second that God will heal you cause we know he will! and we have to just keep believing it! I have a joke for you, It's one that Brandon told me and some others! enjoy: There were once 3 boys stranded on this island, the natives of the island capture the three men and tell them to go and get 20 pieces of one type of fruit they can find on the island! the first guy comes back with apples, and they tell him to stuff them up his bum! he does one and then stops so he gets shot and goes to heaven, the second guy came back with berries! he gets to 9 and then starts laughing so he gets shot also and goes to heaven! The two guys are up in heaven and the first guy asks the second guy "why did you start laughing mate?" the guys answered back "the third guy was coming back with pineapples!!!" lol amn every time I say it I crack up!! lol I think it is a good one!! hehe anyway praying for you!!

Sarah Cattle! xoxo

Wed, 29 Jul 2009 6:18 pm - Liz Kim -

hey again lewis,

i'm missing you more than ever, and even though i'm not at coc anymore, my life's just not the same without you. you have such a unique and amazing personality, and you've impacted so many people's lives... none of us can stop thinking about you and your goofy smile, i keep thinking that i can just walk to school and see your happy face. they say that you don't know how good things are until they're gone, and i'm sad and frustrated that i didn't realise just how much you mean to me, and just how big your place in my heart is before this happened. it just doesn't make sense without you here lewis, so please get better soon and come back to us! you're seriously a person that i admire and love and can't imagine life without!

to mr and mrs moss and family, i can't even begin to imagine how you all must be feeling, and what you must be going through. but you're all handling this incredibly well, and i admire you all so much for that. thank you so much for lewis, thank you so much for the privilege of knowing such a fantastic guy. i cant wait to see his bright smile again. stay strong, have faith. lewis will pull through.

all my love, thoughts and prayers,

xx

Wed, 29 Jul 2009 6:18 pm - In our Prayers -

Hey Lewis and Family,

I know that you are going through a really hard time right now, I cant even begin to imagine how sad you are but I just want to remind you that no matter what else happens right know God and Jesus are right there beside you and just remember that where we see lots of dark coloured splodges, God sees a beautiful canvas of Lewis' and your life. You are such a tight knit family and how you have been so positive is beyond me, it just goes to show that you have awesome character!! The whole school has set up a prayer vigil every day and we did a sausage sizzle for you that raised over 1000 dollars! You are always in my thoughts and prayers. Here is a verse I found for you, Psalm 46:1-3, "God is our refuge and strength,always ready to help in times of trouble.So we will not fear when earthquakes come and the mountains crumble into the sea.Let the oceans roar and foam.Let the mountains tremble as the waters surge!!" But we will not fear because the Lord of Lords and King of Kings is with us. Have faith in him!

Wed, 29 Jul 2009 6:18 pm - Emily Mitchell -

Wow! Lewis man, I have never in my entire life thought so much about a boy as much as I have been thinking about you the last few days! Its amazing! So you can claim the title of the boy that Emily has thought most about in her lifetime! But man, I have missed you so much. We are praying so hard and we really know that you can pull through this. You are such a strong young man and I know that God is going to use you so much. Its amazing how God uses circumstances like these to test our faith- it is just so sad that he has to use you to do that. Cant get you off my mind Lewis. Praying hard for the Moss family so much and praying for a huge miracle. You can do it Lewis. Also Lewis you have got that song of yours stuck in my head!!! Thanks for that! You'll pull through mate. Can't wait to see you and your bubbly self again. Sending lots of love to the moss family. xx

Wed, 29 Jul 2009 4:43 pm - Greg Strahorn Toowoomba Christian College -

I don't know you personally, but am praying for you all, as we all are here at TCC. My 10 Maths class were wanting to pray for you yesterday, and so we did. I am in awe of the way God is at work through this accident. As I have read these messages they have blown me away with how so many people have been impacted by God in so many different ways.

Lewis you must be a truly remarkable young man, and also your family...it becomes so obvious just reading what people are writing to you and your family. Jesus said "The thief came only to steal, kill and destroy; I have come that they may have life, and have it to the full". May His life in you, Lewis, make alive your mortal body and restore your soul; just as He has promised to you in His Word. Also as it says in the Psalms "Surely I will see the goodness of the Lord in the land of the living." I pray that will be the outcome for your whole family. I can hardly begin to imagine what it must be like at the moment for Mr and Mrs Moss and the rest of the family...may God sustain you all and bring you through. God's love never fails...

Wed, 29 Jul 2009 4:31 pm - pray thats the key! -

Neh. 1:5 We sometimes find ourselves in a situation where we need an immediate answer to a problem. Let us then do what Nehemiah did: take refuge in God in prayer. To the Moss family - you are doing this and our thoughts and prayers are with you constantly. You are greatly loved and missed by the College and community. God Bless you all

Dear Greg, Ruth, Brandon & Jacob,

I have been checking this site every few hours to see if there has been any changes to Lewis's condition and each time I am overwhelmed by the amount of visitors. It is obvious your young man is loved and respected by so many people. I do not know Lewis but I feel as though I do after reading some of the messages. I pray that Lewis makes a full recovery and he is smiling at you very soon. :)

Wed, 29 Jul 2009 2:40 pm - Allan & Fay Walter -

Just sitting here reflecting on the prayers of so many people and thinking how wonderful it is to see the christian community stand united in "prayer" being able to put aside our disagreements and differing beliefs. It is sad that a tragedy has brought us to this point but be assured Greg, Ruth and family that God is using your family to do amazing things even amongst us individually and as a christian community even though I am sure the pain is so very "huge" to bear. Our continued prayers are with you all but God is faithful, He will not give you more than you can bear so continue to trust Him daily for your strength and courage. (1 Cor 10:13)

Wed, 29 Jul 2009 2:39 pm - Len & Dell Moss -

I will strengthen you and help you; I will uphold you with my righteous right hand." We are praying for you all at this time,

Greg, Ruth, Jacob, Lewis, Brandon and the extended families,
Just wanting to say we are continuing along with so so many others to hold you all up to our almighty God in prayer. Georgia's class did primary assembly today and she got to pray for Lewis. She thought that was pretty special. God is using you Lewis in a way that you wouldn't believe. I can see you doing a little "shrug" and "grin" when you hear all the beautiful messages that have been sent for you. But no-one who knows you is surprised because you touch everyone from the youngest to the oldest with your "real" personality and the best stories ever!!! Take care all. Philippians 4:13 I CAN DO EVERYTHING THROUGH HIM WHO GIVES ME STRENGTH. May you feel the presence of the Lords strength and mighty power today.
LOVE YOU ALL.

In Christ alone my hope is found;
He is my light, my strength, my song;
This cornerstone, this solid ground,
Firm through the fiercest drought and storm.
What heights of love, what depths of peace,
When fears are stilled, when strivings cease!
My comforter, my all in all—
Here in the love of Christ I stand.

Hi there Lewis & Family..

My name is Anna and I don't know you from a bar of soap, but I know some people that do.. and those people LOVE you. A prayer epidemic has started for you and you alone.

I have been told of three separate church groups alone who have organised prayer meetings that have come together with 300+ people to kneel and pray for God's will to reign in your life.

It's amazing the effect you are having in peoples lives for Christ, even as you lay in hospital right now.

It's obvious to us that God and His gift of faith are strong and alive within your family and friends.

What a blessing you have been.

I pray that your family be encouraged by the spirited praying of what I can only imagine as thousands by now. Our God is mighty to save!

He is sovereign and he does love you all.

In Christ alone,

Anna

Hey guys! I'm thinking of you right now and praying for you all the time.
I just though I'd post this here... it's a song I wrote on Thursday night after the prayer meeting.

Though Your ways, we cannot understand
Still we trust, You are holding all plans
From the heights, to the depths of the sea
I know that You are carrying me
~
Oh Lord, I give it all to You
Every tear, every hurt, every pain
For You, Oh Lord, are Lord of all
And I trust in You alone

God bless you... heaps of love and hugs...

Rachael H.

(thought I'd add... I was in Lewis yr level @ COC in yr 7. though I haven't been attending the school since the end of that year, I'm still involved with stuff and have heaps of freinds there - Lewis included. He's one of the awesomest people I

know - a person cannot talk to him and not walk away feeling better. Thanks Mr. and Mrs. Moss for raising a son who has encouraged and influenced so many people with God's love... xo Rachael)

Love you all heaps! Although you feel weak you have great strength. Remember, God can bring you through situations you think you won't survive, or feel you'll be stuck in forever. He can make you comfortable in the most uncomfortable places, and give you peace in the midst of trauma. Be confident in knowing that GOD HAS ALL YOUR TOMORROWS PLANNED OUT. So you don't need to worry about them." Weeping may endure for a night, but joy comes in the morning". Ps 30:5 However long the night is, morning always comes, and with it His Joy. I am getting great strength from this. I hope it does the same for you. If not disregard. If for some reason my wife has a boy in Oct, we are calling him Jake Lewis as we think that these are awesome names. We have had these names locked in since Charley was born. You can tell Lewis that I wanted to name our girl Lewis but Michelle thinks it's too masculine. I set her straight.
Praying for all your family (particularly you Lewis)

Hearts are lonely and drear;
Burdens are lifted at Calvary - Jesus is very near.

Cast your care on Jesus today,
Leave your worry and fear;
Burdens are lifted at Calvary - Jesus is very near.

Troubled soul, the Saviour can see,
Every heart-ache and tear;
Burdens are lifted at Calvary - Jesus is very near."

school is boring without u, all morning tea and lunch time is dedicated to the one and only Lewis, for prayer, so all the grade 11's went there for morning tea today, and then for lunch we came together and got your song ready!!! hmm last night we all had a big prayer meeting for u at on of the hume ridge guys house. And also 1 person from every Pc from grade 10 & up go to a room called the Lewis Moss Prayer Vidual(yes u have your own room) for one lesson each day to pray for u(it is fully optional, yet it is usually more that we have to tell people that they have to wait till the next day cause pretty much everyone wants to go), i went yesterday, and caught your bestest buddies in there getting away from everything, sharing a laugh about the awesome person that u r!! well tomorrow im sure will probably be the same, but seriously i know u cant read this right now, but whoever is reading this just know that Lewis has changed our lives, and there is not one minute of free time that students arent praying for a miracle to be delivered to the amazing miracle that lewis already is!!!! i dont know what else to say but hang in there, God has u firmly in his grip and He knows exactly what he is doing!!! come on buddy u can do it!!

Lewis, my prayers and thoughts are with you at this time, praying God's healing hand will be upon you and that He will restore you to full health and strength in His time. It is very evident to see that you are a special guy, loved by so many and that hundreds of people are upholding you and your family in prayer. It is special to know that God is holding you in His hand, and He has a plan and purpose for your life. Hang in there mate - keep fighting. God bless you. Love Mim xx
Greg, Ruth, Jacob and Brandon: It's difficult to find the words to say in times like these, but I just wanted to assure you all of my prayers for you as a family and also the extended family. God has promised never to leave you nor to forsake you, He is with each one of you every step of the way. Praying God will give you the needed strength, comfort and peace at this time and also the wisdom and guidance to make important decisions regarding Lewis' treatment. With thoughts, love and prayers, Mim xo "Wait on the Lord and be of good courage".
"Through It All"

You are forever in my life
You see me through the seasons
Cover me with Your hand
And lead me in Your righteousness
And I look to You
And I wait on You

I will sing to You, Lord
A hymn of love
For Your faithfulness to me
I'm carried in everlasting arms
You'll never let me go
Through it all

Jesus Said "I am leaving you with a gift — peace of mind and heart. And the peace I give is a gift the world cannot give. So don't be troubled or afraid." John 14:27

Tue, 28 Jul 2009 1:01 pm - Aaron Eccles-Smith -

He was (D)espised and forsaken of men,
A man of sorrows and (E)acquainted with grief;
And like one from whom men hide their face
He was (F)espised, and we did not (G)esteem Him.

4Surely our [b]griefs He Himself (H)bore,
And our sorrows He carried;

Yet we ourselves esteemed Him stricken,
Smitten of (I)God, and afflicted.

5But He was [c]pierced through for (J)our transgressions,
He was crushed for (K)our iniquities;

The (L)chastening for our well-being fell upon Him,
And by (M)His scourging we are healed.

Isaiah 53 v3-5

Although i do not know this young man, i believe Gods word, and so i stand in union with all others in knowing that, surly God bore our suffering, and we, by his scourging/death he took all our sin and sickness and we are healed in the name of Jesus Christ. Thank you for your hand over Lewis Lord.

A lot of people have been saying that God has a plan in this, God will use this to benefit/ strengthen/ test others and those involved in this situation. Well i just thought that i would let you know that through this i have grown in my relationship with God. I am constantly praying for Lewis and as prayer was an area in my christian life that was lacking a lot, i have benefited at Lewis's expense. God is already working through this tragedy to be something good. Through this God has shown me to rely on him, he has shown me to truly believe in miracles and for that i am thankful. God is truly amazing, and he works in mysterious ways. Through Lewis He may be working in thousands of peoples lives. Just look at

how many have visited this site over that past two days. He is at the centre of this and i know that God doesn't do things just for the fun of. He has purpose and meaning behind all he does. Take comfort in him because he is faithful and he loves you all.

Lord, we specifically pray for a reduction in the swelling in Lewis's head. We specifically pray for a restoration of Lewis's brain function. Lewis, we pray that the Armour of God is upon you, His helmet of salvation, the breastplate of righteousness, the belt of truth, the shield of faith, the sword of the spirit and the shoes to spread the gospel of salvation. Lord, we plead the Blood of Jesus that has been spilled for Lewis and by His stripes Lewis is healed. Lewis, we stand with you. Lord, I pray for your covering over Lewis and protect him from any spiritual oppression. We stand together and take authority in the Lord Jesus Christ over this illness and command a healing in the name of the Lord. We agree together in Faith. Lord, I pray that you can guide the skilled hands of the medical staff as they tend to Lewis. Lord, I pray for a special comfort, grace and peace to Lewis's family and friends. Lord, we stand before you knowing that there is nothing we can do in our own strength (except stand and pray) and that all glory is given unto You. And we all say together - Amen.

Dear Greg, Ruth, Jacob, Brandon and extended McKinney and Moss family
Just letting you know that you and Lewis are in our thoughts and prayers at this time. After reading all of the messages posted on this site, although we have not had a lot to do with Lewis over the years, our impression of him is what the recurring theme has been in these messages – that of a friendly, happy young man, full of life, even as a toddler that was evident. We, like all of your other friends and family, are praying for that miracle. With all of our love, David, Judy and family.

It's been many years since I've had contact with the family, but I have fond memories of the weekends we spent in Toowoomba with Uncle Ron and Auntie Heather. I just want you to know I'm praying for you all; God is in control of our lives and what He allows is part of His divine plan. Keep trusting in Him. "He will never leave us, He will never forsake us"

Tue, 28 Jul 2009 7:34 am - Janette & Stef Meulen - friends of Karen P-B (who has been keeping us updated since the accident) -

Dear Greg, Ruth, Jacob and Brandon...Although we don't know your family, we do have a 16 yr old son so our hearts have been broken by your pain. You are all constantly on our minds and in our prayers. As well, members from our Church family and school community have been praying for strength for you all to endure this very difficult season. It is impossible to understand why this could happen, but ours is not to seek understanding - but to trust in Him who we KNOW loves Lewis and your family more than we could imagine. We pray for peace in this time of turmoil and for continued courage to walk by FAITH and not by sight. We also pray for Lewis's coach and team mates - this must be so tough for you all. May you know His constant, loving presence as you walk through this season.

Tue, 28 Jul 2009 7:10 am - Dave Tyrone's teacher) and Jude Crank -

We are 'praying without ceasing' for you all. Praying that our Heavenly Father who is above all and in all will surround you in His peace. Alongside the prayers of so many please know that the staff of Northside Christian College are praying for you all.

Psalm 42:8 Yet the LORD will command his lovingkindness in the daytime, and in the night his song shall be with me, and my prayer unto the God of my life.

Dear Greg, Ruth, Jacob and Brandon, as many of us are wondering why this has happened to Lewis i pray that the LORD will give you the strength, comfort and peace that noone else can give. Praying for you all tonight and during the day.

Tue, 28 Jul 2009 3:14 am - Allan and Shelley -

Dear Lewis, Greg, Ruth, Jacob and Brandon.

Well guys, God just isn't letting us sleep tonight. You are constantly in our thoughts so we just keep praying that our Lord will give Lewis a complete recovery. You are a very special family and mean so much to us, not just as relies, but as great friends. Your support and encouragement for our kids has been awesome and we just want to try and support you all in this time of trial. God is using this accident of Lewis' to bring so many people in the body of Christ together in prayer, only good can come out of it. We love you all.

Tue, 28 Jul 2009 2:13 am - Louise -

Dear Lewis, although I haven't seen you since you were a gorgeous baby, from what I have read and seen and heard of you... you have grown into a fine young man, who is loved and admired by many. I am not surprised by this, given the wonderful parents you have been given. Your Parents - Greg and Ruth, and other members of your wonderful extended family were so very kind to me when I lived in Toowoomba and invited me many times to thier homes, a kindness that touched me deeply, and although I have lost contact with you all.. I have never forgotton any of you or your kindness... I wish there was someway I could repay that kindness now...Lewis I would offer you my brain if they were able to transplant it.. but you might have to re-learn a few of those infamous pick up lines... or those cool "pick up chicks moves"..lol.. You have so much to offer those who love you and others who dont even yet know you... I am sure you will go on to inspire many people in your life... I hadn't prayed for a while... but on hearing news of your accident, have shed many tears, and pleaded with God to save you, to give the miracle that you so deserve. Sometimes I struggle with God's choice... it doesn't seem fair... but after time have grown to know he never gives us anything that we cant handle...that is his promise.

Greg and Ruth, my heart breaks for you both at this time and no words I express can convey this sadness, but please know that you are all in my thoughts and prayers daily. Jacob and Brandon please know and be assured this includes you too... Love and continued prayers of support also to Aunty Heather and Uncle Ron, GrandPa, and all of your extended families at this time. You are all very much loved and never forgotton by me.. Love always Louise (Melissa's sister)

Tue, 28 Jul 2009 12:26 am - Michael Chapman -

Dear Greg, Ruth and family... Just wanted to express a few thoughts of love and care for you all at this time. I was thinking how amazing it is to be used by God to bring His people together, when our adversary wants to drive us apart. Rest in the purposes and plans of our wonderful God, who is able as "the Father of mercies, and the God of all comfort; who comforteth us in all our tribulation, that we may be able to comfort them who are in any trouble, by the comfort wherewith we ourselves are comforted of God"2Cor.1v3,4 As He leads you thru each day, may you know the reality of Isaiah26v3,4 "Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee. Trust ye in the Lord forever: for in the Lord Jehovah is everlasting strength" Praying earnestly for you, especially Lewis, with our trust in our unfailing God

Dear Greg & Ruth: I don't remember meeting you and Lewis or not but doesn't matter because John & Rob are my very dear friends and brother and sister in Christ and so are you in the one bond of peace. I would like to assure you that I am involved in a severe spiritual struggle in prayer over Lewis as God has deeply touched me to intercede for him. I don't know the time frame for his recovery but I thank God He does and I know His plans are good for you and He can turn adversity into opportunity. May the Lord Jesus extend all grace that abounds to you and may His peace guard your hearts and minds in Christ Jesus. Let's all agree for Lewis complete healing in Jesus' name and start thanking God that He cares, loves and is able. My family cares for yours and will continue our intercession. Our thoughts with you every minute.

To Greg, Ruth and Family, my thoughts and prayers are certainly with you at the moment. Remember that Lewis is trusting in God, the Lord Jesus Christ. Our Lord wept when he reached Lazarus' tomb so he can certainly relate to the sadness we're all experiencing at the moment. But God is also Love, and God loves Lewis so much. God bless you all!

Lewis, Lewis, Lewis. I really don't think you understand the impact you have on everyone. It is unbelievable how one person can make so many people happy. You are such an amazing young boy with so much life yet to live, there is no way this is your time! Plus, remember I still have to take you for a drive, even if it's just taking you home after school. Anything you want Lewy :))

One thing I realised in the prayer meeting we had for you tonight was that I have to believe now that God can and will do what is right. I have put all my trust in God to heal and protect you, and now I have to believe that this is true. I believe God can and will give you a miracle!

I will continue to pray for you until you are back safe and sound! I love you so so so so much! xoxoxo

Just wanted to let you know we continue to hold you in our prayers. Also wanted to relay an amusing story from Gabbi. When visiting yesterday (we had not mentioned that she would see Lewis) she realised that everyone was there but Lewis so Paul explained Lewis was in a special bed resting. She was satisfied but was concerned that he may not have his DS Lite with him!!! Not sure if he owns one but I am sure she will get one to him when needed!! Her prayer tonight "God, please make Lewis better and help 'gweg' and 'rooff' too." Love and prayers to you all. Psalm 145 v 13b The Lord is faithful to all his promises and loving toward all he has made. v14 The Lord upholds all those who fall and lifts up all who are bowed down. v17 The Lord is righteous in all his ways and loving toward all he has made. v18 The Lord is near to ALL who call on him; to all who call on him in truth. v19 HE fulfills the desires of those who fear him; he HEARS their cry. With love in Christ Jesus our Lord.

Here's a verse that's full of encouragement, "The Spirit joins also (his) help to our weakness; for we do not know what to pray for as is fitting, but the spirit (Himself) makes intercession with groanings which cannot be uttered. But he who searches the hearts knows what is the mind of the Spirit, because he intercedes for saints according to God. With much love and prayers from us all.

Mon, 27 Jul 2009 6:54 pm - Lance Andrews -

Dear Lewis and Family

My Brother and I have been praying for you heaps

We know for certain that god will come and he will move through you make you all better, Yeah we have been praying for you heaps, Even though i don't know you at all, But i still feel sorry for what you and your family and friends are going through, If i could do something i would do it, but the best thing is to pray and believe a miracle will happen, I even get sad thinking about it.

So If we all pray a Miracle will happen and we just got to have faith, Like peter when he was walking on water, he had doubt and he started to sink.

GOD BLESS!

-Lance Andrews

Hi Mr and Mrs Moss, Jacob, Brandon, and Lewis! So.... you made the front page of the Chronicle! Congratulations! We're all praying and believing you're gonna be back real soon, just the same cheeky fella we all know and love, :P. I know the nurses are all taking great care of you, and in your absence we've been working on a little something for you, which we all know you'll love and laugh at, :D. Mr & Mrs Moss, Jacob & Brandon, you're in our prayers and thoughts constantly, and that is no exaggeration. I know that Lewis is an incredible young man, a great leader and one of the sweetest friends a person could have, and I know that God has HUGE plans for you man!!! You're such an inspiration, happiness and joy and charm and wit just seem to follow you...I swear people can just about SEE all those rolled into this aura that nearly glows from you! You're so funny and charming, and I'm so glad to have you as a friend. I respect, admire, and look up to you a lot more than I've ever said, or probably even realised, so I'll say it now, and I'm not saying it lightly. :). I'm sure he is an amazing son and brother too. God is looking after your family right now, and always, and I know that He is a loving God, a caring God, an AWESOME God, and a miracle working God, and that's what we're all trusting and believing for. Love ya Lewis, and imagine/pretend I gave all you Moss' a big hug, :). Cya soon, Love Loxienne! P.S. My little sister Rowena says hi, that she is praying for you all, and she thinks you're very funny Lewis. She remembers the dance you made up to that 'Go Crazy' song we did one time earlier this year during Interact... she found it pretty entertaining. They all loved that dance by the way. :D. Luv ya man, God loves you too!

Please be assured of our continued prayers. Lewis and you, his family are never far from our thoughts. We pray that you would have an incredible sense of God's nearness and a trust in His Sovereignty. "I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. My frame was not hidden from you when I was made in the secret place. When I was woven together in the depths of the earth, your eyes saw my unformed body. All the days ordained for me were written in your book before one of them came to be." Psalm 140:2 We would never presume to know how you are feeling but we know Jesus does and we know He cares. Romans 8:28

Lewis, in the beginning when the earth was without form and void, the darkness was over the earth. But the Spirit of God was there. God then said 'Let there be Light' and there was light and God saw the light and it was good. God is Lord and Supreme over the darkness and nothingness that seems to have taken over your body, but God is saying to you "let there be Light"! 'Let there be My Light in Your life again, Lewis'. Lewis, you are in our prayers, first thing in the morning and last thing before we go to sleep. During the day there is not an hour that goes by without a thought and a whispered prayer. In my mind I see you lounged back on the seat at church, looking back and giving smiles and winks to all of our children behind you (not frowning when they make noise). I look forward to the day when I send Jade up to sit beside you. Greg, Ruth, Jacob and Brandon know that with Christ All Things Are Possible.
